We, the undersigned, registered voters of the state of Missouri and \_\_\_\_\_ County (or city of St. Louis), respectfully order that the following proposed law (or amendment to the constitution) shall be submitted to the voters of the state of Missouri, for their approval or rejection, at the general election to be held on the 2<sup>nd</sup> day of November, 2010, and each for himself or herself says: **I have personally signed this petition, I am a registered voter of the state of Missouri and \_\_\_\_\_ County (or city of St. Louis), my registered voting address and the name of the city, town or village in which I live are correctly written after my name.**

Shall the Missouri Constitution be amended to define the term "person" to be from the beginning of biological development and grant such person constitutional rights and access to courts under the equal protection, due process, and open courts provisions of the Missouri Constitution?

Most state and local governmental entities estimate no costs or savings. However, depending on the legal interpretation of the proposal, some state and local governmental entities may incur unknown costs related to court actions, program benefits for the unborn, health services to pregnant women, and the possible prohibition of certain research activities.
